### Mattapoisett Lions Sponsor Antique Appraisals

The Mattapoisett Lions Club will kick off the beginning of Harbor Days this year on Sunday, July 14 with an afternoon of Antique Appraisals with Henry Callan, a well-known appraiser and antique dealer, from 2:30 to 4:30 pm under the tent at Shipyard Park.

Mr. Callan, a resident of East Sandwich, has been buying and selling antiques for over 33 years and is a member of the New England Appraisers Association. He appraises for estate and insurance purposes. He has a Masters degree in History and teaches courses on antiques.

All kinds of antique items will be appraised with the exception of stamps, coins and jewelry. If an item is not easily transportable, a good quality photo may be used instead. Whether you have items to be appraised, or simply want to watch, the afternoon promises to be

Danni Kleiman of Rochester's Memorial School conducted a makeshift orchestra comprised of teachers and staff to play parting music for students on the last day of school this past week. As students boarded waiting buses, the song selection ranged from "When the Saints Come Marching In" to the "Ode to Joy" from Beethoven's Ninth Symphony. The buses then made a few final laps around the oval driveway before sending students home for the summer. (Photo by Kenneth J. Souza).

t-shirt. Otherwise runners may register the morning of the race between 7:30 and 8:30 am at Tabor Academy's Hoyt Hall (or the Fish Athletic Center in case of rain). There will be plenty of food and drink afterwards as the Marion General Store will be providing bagels for the participants, Runner's World and JB Race Management will provide PowerBars and Energy Crunch cereal, and Ocean Spray has donated juice drinks. Still Waters Therapy will be on site providing free post race massages. Hopefully the weather will be sunny and the athletes can enjoy some music and the post race party.

The course starts at Tabor on Front Street, in front of Lilliard Hall, then proceeds down Front Street to Ryder Lane, turns left on Ryder and left again onto Spring Street. The mile mark is just before the fire station. At the end of Spring Street, it turns left, then right onto Pleasant Street, gradually uphill, then left onto Holmes Street. At the end of Holmes, go right on Water Street, then left on Vine Street and right onto Front Street. The finish is down Front Street and right into the Hoyt Hall driveway at Tabor.

An added feature this year is a Brass Ensemble which will be playing "The William Tell Overture" outside the First Congregational Church as runners go by. Various donated prizes and gifts will be raffled off and given away to the Top Ten finishers.

*[Editor's Note: The following is the text of the dedication of a plaque in memory of Mrs. Nancy Blanchette last week, who taught at Old Hammondtown and Center Schools in Mattapoisett, and who passed away one year ago.]*

Today, we dedicate our Flag Day ceremony to the memory of Mrs. Nancy Blanchette, an outstanding teacher who devoted more than 35 years to the school children of Mattapoisett. This celebration is appropriate because Flag Day and patriotism were so important to Mrs. Blanchette that she usually organized and led us in a red, white and blue observance each year on June 14.

We are unveiling a plaque today, honoring Mrs. Blanchette, which reads: "In memory of Nancy F. Blanchette. She taught in the Mattapoisett School System for 36 years: 1965-2001. She loved our children and taught them well." The plaque will be displayed in the lobby of Old Hammondtown School.

As most of you know, Mrs. Blanchette truly appreciated and supported music. A memorial fund was established in her name last fall, and donations are being used to defray the cost of instruments for (the OHS) band. She was extremely proud of (student) musicians and their well-earned achievements.

From 1965 to 2001, Mrs. Blanchette was a lively, energetic force in the Mattapoisett public schools. She taught children in several grades, spending most of her teaching and learning career in Kindergarten and Fourth Grade. Whether she was hurrying through the halls, calmly listening to both sides of a story, helping a child to rearrange a disorganized desk, or encouraging us to do better, Mrs. Blanchette was a multifaceted role model. Her life reflected the traditional values of honesty, hard work, and consideration for others.

Believing that experience was the best teacher, Mrs. Blanchette marched with her Kindergarten class in our town's 1976 parade to celebrate the Bicentennial for our nation's birth. She took her classes to the beach at Shining Tides, mixed papier mache for children to create planets, and choreographed the dances in "Alice in Wonderland" and other performances. Remarkably

generous, Mrs. Blanchette taught us to think of others as she led food collections and mobilized lemonade sales for charity.

Although Mrs. Blanchette was perfectly professional, she had lots of fun and wanted everyone to enjoy her classes, too. Some of us remember crazy hat day, her well-planned Halloween costumes, and popcorn day to celebrate the first snowfall each winter. Of course, we were likely to have time for fun if our work was done first!

We thank Mrs. Blanchette for all she gave to us, from teaching us to take time to think through problems and to consider many solutions, to working hard and having high expectations of ourselves. She knew how to do only her very best, and was thrilled with the many successes of her students. As often as possible, she followed their progress to adulthood, and felt rewarded to be *their* child's teacher. By combining solid knowledge with keen intuition, she provided selfless guidance to hundreds of young people.

Nancy Blanchette was devoted to her husband, Donald Blanchette; and to her daughter, Breana and son, Blayne; her parents, Florence and Stanley Baron; her sister, Patricia Sheffield, and nieces Monica and Jocelyn Crowley. They have our sincere gratitude for sharing Nancy with us these many years. She truly loved our children and taught them well.

- Letter of appreciation to Ken Dawicki, who is stepping down from the Conservation Commission (ConCom) after serving 20 years with the committee. The board thanked Mr. Dawicki for his contributions to the ConCom. "It's a big commitment," Selectman Andrews said. "Every hearing requires a site visit," added Chairman Lambalot.

- Letter to Gary Cunningham in response to his May 29 letter relative to the Bike Path. The board wished to assure Mr. Cunningham that no land-takings would be done until the YMCA matter is settled. "This board has no intention of constructing a bike path from the Fairhaven line and ending at Mattapoisett Neck Road," Selectman Andrews said. "We are still talking with the YMCA and trying to iron that out."

- Letter to Meredith Heath regarding the recent mailing sent out by the Finance Committee (FinCom) prior to the Annual Town Meeting. Ms. Heath felt that all residents, including summer residents, should be sent such pertinent information. "I guess the summer residents did not get the notice mailed out by the FinCom," Chairman Lambalot said. Selectman Andrews noted this was a first-time mailing, and in the future the FinCom would hopefully get this information out to all residents.

"Since they have increased the services, why don't we get an increase in the franchise fees?" asked Selectman Andrews.

would also allow for easier upkeep of the surrounding grass areas." The board agreed this sounded like a good idea.

At 7:20 pm the board met with Finance Committee (FinCom) Chairman Richard Gamache and Mark Estes regarding the feasibility of hiring a Town Planner and Conservation Agent in the future.

Mr. Estes noted that although not all area towns charge fees for conservation filings, some use this revenue to help defer the costs of hiring additional support staff.

"If we can start imposing some fees, we can defer the costs of a Conservation Agent," Selectman Andrews agreed.

"We all agree that we need to do something, but not necessarily cause the townspeople to pay more," Chairman Lambalot agreed.

"It would help for the ConCom to get some type of professional assistance," Selectman Andrews said. "I think probably the first thing we need to do is get the (conservation) by-laws changed."

"Maybe we can contact SRPEDD and get some sample by-laws ... there's no need to reinvent the wheel," Chairman Lambalot said.

Mr. Estes also suggested appointing a committee for six months and charge them with the task of looking at such needs for the town's immediate future. "I've spoken with different people about different issues," Mr. Estes said. "We're not going to spend any money on a Town Planner (or) Conservation Agent in the near future (but) if we have clear-cut goals ... I feel confident we can make some progress at zero cost to the town."

"The important thing is to be a liaison between all the departments," Selectman Andrews said, adding that this could help bring more commercial development into town to broaden the tax base. "We can decide what we want to do with the landfill, with the corporate park, talk

to the park owners (and find out) what we need to do to bring sewer into the park. If there are offers ... maybe we can work to bring something to Town Meeting."

Selectman Andrews also added that next week's scheduled meeting with Dr. Clyde Barrows of the UMass Dartmouth Center for Policy Analysis, which previously conducted a town-wide governmental study for the Town of Marion, might also shed some light on this issue. "It will be interesting to see what Dr. Barrows suggests next week," he said. "I think this is a positive step and I applaud you ... for making progress on it. The sooner the town takes a positive step in this direction, the better. The Town of Mattapoisett is growing ... it would be to the town's advantage to have someone in a position to oversee (such developments)."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:40 pm.

### Marion Selectmen's Meeting

*June 18, 2002*

**By Kenneth J. Souza**

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 18 at 7:00 pm by Chairman Benjamin Bryant. Also present were Selectman Andrew Jeffrey, Selectman David K. Pierce, Town Administrator Julia Enroth-Whitlock, and Secretary Helene Craver.

The board first unanimously approved the minutes of the May 28 and the June 4 meetings and various water bills, warrants and credit memorandums for the week.

Under incoming correspondence, the board received:

- Letter from VFW Post 2425 Commander John Robarge asking the board to participate in the annual July 4 Parade, which will form at 8:00 am on Thursday, July 4 in the field behind the Marion Town House, adjacent to Sippican School.

- Letter from Police Chief Lincoln Miller noting that Verizon has removed the public pay phone at Island Wharf, leaving no pay telephones in the village area. "As recent at ten years ago, there were pay phones located at the former Marion Pharmacy, Tabor's old hockey rink on Front Street, Spring Street near the Tabor Academic Center, and the one at Island Wharf," Chief Miller wrote. "With the removal of the Island Wharf phone, there are currently none in the village area in public places."

The board agreed this matter should be discussed with Verizon and, possibly, area legislators. "I would think our first approach would be to contact Verizon and find out why they were removed," Chairman Bryant said. "I would (also) support a letter going to (State Representative) William Straus."

At 7:10 pm the board met with Henry Roberts and Gordon Vineyard of the Buzzards Bay Regatta (BBR) and Harbormaster Charles Bradley to discuss plans for this year's race.

"The important thing we're here for is to go over the things we're doing this year which are different," Mr. Vineyard said. "We have an extremely experienced committee this year. There's been a great deal of discussion between the police and harbormaster, and it's been an ongoing discussion. We are not having some of the others classes that we've had, simply because of its impact on Marion. We have made arrangements for parking at the VFW, the parking lot at Sippican School, and spaces along Spring Street which the (Police Chief) has given us permission to use."

Mr. Vineyard noted this will reduce the number of boats launching from Marion and cut down on the traffic in town which has been a concern in the past. "The total number of boats in Marion will be reduced from 393 in 2000 to 320 this year," Mr. Vineyard said. "What we're really trying to do is make this an event which is highly competitive, and be highly aware of the town and the degree to which the BBR has been an intrusion into the town."

"We have worked on it for almost two years," agreed Harbormaster Charles Bradley. "I've got to commend the yacht club for working with us. We think we have solutions (this year). If you bring 300 people into town, it's a large number of people to be congested in a small area (but) if we continue in this vein, it was be a success."

With that, the board unanimously voted to approve the application for use of the town wharf for the Buzzards Bay Regatta in August.

At 7:20 pm the board met with Harbormaster Charles Bradley regarding mooring renewal payments. "I think we've worked very hard this year," Mr. Bradley said. "We did send a letter accompanying the mooring applications in which I stressed the value of the moorings. If you have (one), it's almost like it's taken for granted. To date, we think we're down to nine people who have failed to pay by the May 30 deadline. I would like to request

that we mail out nine letters to those who have failed to pay their mooring fee. I have a feeling that most of these, if not all, are going to be given up without any protest, because we have made an effort to reach them. Some we know are people who have moved out of town or are no longer interested in maintaining their mooring. They do have the appeal process ... (which) we'll take it under advisement for 15 days."

"If someone does appeal the mooring taking, it will be reviewed by the Marine Resources Commission (MRC) before coming to the Selectmen," Chairman Bryant said. "There will be a 15-day period to request an appeal."

At 7:30 pm the board met with members of the Planning Board to conduct follow-up interviews for two candidates interested in a vacancy on the Planning Board. The board met with candidates John Hobbs and Thomas Magauran.

"Having read the schedule of meetings, I would like to withdraw my name," Mr. Hobbs said before beginning. "I think the time commitment is one I can't handle." The board members thanked him for coming in and excused him. The joint board members then posed a series of questions to Mr. Magauran. Afterward, the board said they would vote on filling the vacancy from the pool of remaining applicants on Monday, June 24.

The board then discussed the appointment of an Emergency Management Services (EMS) Director. Before beginning, Selectman Pierce noted that both he and

"We have two qualified candidates, I think both gave excellent interviews," Selectman Jeffrey said. "While both possess qualities that would provide good leadership, my personal feeling is some new leadership is appropriate. I think, for myself, (Mr. Habicht) would do it."

"I was impressed with both candidates' backgrounds and leadership skills, too," Selectman Pierce added. "I think one of the things I'm particularly interested in is the smooth operation of the department. I'm very mindful of that."

"I would echo your comments, I think Dale has shown tremendous support for the EMTs and has had this role in the past, but I think Jeff really convinced me he can handle this job at this point," Chairman Bryant said.

With that, the board unanimously voted to appoint Jeff Habicht as the new Marion EMS Director, subject to contract negotiations. "I really hope now that EMS will come under Jeff's leadership and provide great

support for the town," Chairman Bryant said.

Similarly, the board next considered selecting a full-time Fire Chief from a field of two remaining candidates: longtime Assistant Marion Fire Chief Richard Guerzoni and Berkley Fire Chief Kevin Partridge.

"I was absolutely delighted with the four finalists," Selectman Pierce said. "I feel any one of the four would be a very capable leader here in Marion. As the four went down to two, I was continually impressed ... but what came to mind were the very sharp, direct, clear and expansive comments given by Rick Guerzoni. I think he was just a crackerjack in terms of his exposition (and) what he wants to do."

"I concur 100 percent," Selectman Jeffrey agreed. "I'm delighted to say I was really impressed with Rick."

"Anyone who was there on that final interview could see how committed (Rick) is to this town and department," Chairman Bryant said.

With that, the board unanimously voted to appoint Rick Guerzoni as the town's new full-time Fire Chief, which was met with a round of applause from residents present for the meeting. "I think Marion will be very well-served by both," Chairman Bryant said.

At 8:25 pm the board voted to go into Executive Session to discuss Collective Bargaining and Contract Negotiations with non-union personnel. They would thereafter adjourn for the evening.

### Letters to the Editor

To the Editor:

The Town of Marion will be celebrating its sesquicentennial this year. We were incorporated as a town on May 14, 1852. In honor of this significant milestone, the "150th Anniversary Celebration Committee" has planned many exciting and historical events.

The first of the events was held on May 14, 2002 at the Marion Music Hall. All other events will take place throughout the week of July 1 through July 7. A detailed listing of all the events will be included in our, soon to be published, souvenir

To the Editor:

As an alumna of the P.S. 101 (NY) Grades 7 and 8 orchestra where we played one song only for two whole years, The Forest Hills (NY) High School Band Program where because of my piano background I was introduced to playing oboe and played first oboe in the concert band, second oboe in the All-City (NY) High School Concert Band, first oboe in the All-State (NY) College Band, first oboe Framingham State College Orchestra, and first or second oboe in the Framingham Symphony Orchestra, I believe I have enough expertise to judge band and orchestra performances.

We are so blessed in Mattapoisett with the caliber of music education available to our students that to cut this program is unthinkable. Indeed, we should be doing everything within our power to preserve and *enlarge* the program.

The value of school music participation lies not only in the possibility of producing future professional musicians, but in

The Mattapoisett Conservation Commission (ConCom) recently indicated that it wanted to take a second look at the engineering plan submitted by developer James Lanagan for his 36-unit complex to be located off Route 6 near the (Mattapoisett) Police Station.

The commission, to its credit, wants to see if the corner of a retention pond on the property is in the planned buffer zone. Resident Richard Bono, who is an abutter to the proposed

### IS THE 15 YEAR MORTGAGE FOR YOU?

The 15-year mortgage is a quick way to build equity and cut interest payments. It is gaining in popularity, however, it isn't the best loan length for everyone regardless of how attractive it looks. Here are some factors to consider.

The most important consideration is the higher monthly payments. There's no free lunch in financing. A shorter term means larger payments to pay off of the principal. Although a 30-year loan will cost you more in interest over its lifespan, the monthly payments are spread out over

twice the length and are lower. Can you afford the higher monthly payments of the 15-year loan?

How long do you expect to own the home you are buying? In general, the fewer years of expected occupancy, the more feasible a 15-year loan. You'll get a lot more cash back at sale time when you pay off the remaining mortgage since you will have paid more into principal each month.

BUYER BROKER AVAILABLE

development, brought up the issue. Keri Wozniak, Senior Project Engineer for Rizzo Associates, was asked to address this matter. According to Ms. Wozniak, the planned design of the Village at Mattapoisett (the complex which is now under consideration, replacing The Regatta originally planned for the area in question by Mr. Lanagan) will reduce the amount of water discharge leaving the site by 48 to 55 percent.

Commission Chairman John DeMello said the town beach has a flooding problem and he indicated that he did not want the proposed project to overload the brook flowing to the beach. "Our goal is to make sure it doesn't get worse," he said. The plan calls for two-bedroom units with options for decks and screen porches in the 55-year-old and older complex. Included will be a swimming pool, pavilion, pool house, and shuffleboard court area.

Stephen Kelleher is the architect for the project. According to Mr. Kelleher, the townhouse structures will be less than 30-feet high and said five percent "maybe" will be handicapped-accessible units. Mr. Lanagan said the handicap units will be provided upon demand and can be "retrofitted." Questioned about complaints that might surface dealing with alleged violations of conditions at the site, Mr. DeMello said the Order of Conditions, which will be issued, has to be addressed by the condominium owners. Mr. Lanagan said the condominium association on the property will be responsible for performing maintenance on the complex.

As for the retention pond, Mr. DeMello, in answer to a question, said members of the commission would see that the pond is cleaned out, if necessary.

So far, it appears as if the commission is being diligent in its outlook concerning the proposed development. Let us hope that the trend continues. There are more hearings coming up.

Sincerely,  
Michael Couture

Stephen Helman, Principal of Old Rochester Regional Junior High School, recently announced the following "Students of the Month" for May, 2002:

### Rochester Bible School

The First Congregational Church of Rochester invites children to "Catch the Buzz" on a Bug Safari. This year the church is buzzing with excitement as they head out on a "Bug Safari." The Bug Safari Program will provide fun, memorable Bible-learning activities for kids of all ages. Each day kids will sing catchy songs, play teamwork-building games, nibble tasty treats from Picnic Place, experience electrifying Bible adventures, and create Bible Point Crafts they'll take home and play with all summer long.

Bug Safari is an exciting way for kids to catch the buzz about God's love. They'll be studying David in the Bible and learning some of the psalms he wrote. Plus, kids will join nearly a million children in North America and take part in a hands-on mission project that will reach needy children in Eastern Europe. Each day will conclude with a festive Firefly Finale that gets everyone involved in celebrating what they've learned. Family members and friends are encouraged to join in daily for this special time at 11:15. Hopefully, Bug Safari will help the community catch the buzz about God's love.

Bug Safari begins on Monday, July 15 and continues through Friday, July 19. "Explorers" will meet at the First Congregational Church of Rochester in Rochester Center each day from 9:00 am until 11:30 am. Pre-registra-

### WILD BABY BIRDS

*I found a baby bird on the ground. What should I feed it?*

Baby birds are frequently found near their nests. If the bird has no feathers, try to find the nest and put the bird back. If the bird is mobile and feathered, keep dogs and cats away from the area and the mother bird will probably feed and care for it.

*I thought that if I touched the bird the mother bird would smell my scent and would reject the baby.* That's an old wives' tale as birds have poor senses of smell. Allowing the mother to raise the young increases their chances of survival.

In celebration of the 150th, members will be pleased to greet guests and invite them to relax in the manner of one-hundred and fifty years ago and enjoy a cool lemonade or libations served by Spirits.

The present Sippican Woman's Club was the amalgamation of a ladies discussion group, founded by Mrs. John Allen in the late 1890s and a group of 12 ladies organized in 1904 by Mrs. C.O. Rundell for the purpose of social and intellectual improvement. In many ways the club has not strayed from the original intent of the organization, continuing to focus on topics of educational and intellectual interest and community involvement.

In the 1900s funds raised through fairs and rummage sales benefited public health and a nursing association, even housing a clinic and living quarters for the town nurse. Fifty years ago, the first scholarship was presented to a Marion students graduating from Wareham High School.

Today, the club continues to award several scholarships each year to students in Marion furthering their education, through funds raised by the Annual Holiday House Tour sponsored by the club. Although scholarship awards have continued to be the major recipient of the club's community spirit, money has traditionally been donated to a number of philanthropic causes. This year the club has provided the funds to

*The Bourne Identity*. Starring Matt Damon and Franka Potente. Directed by Doug Liman. Running time: 113 minutes. MPAA rating: PG-13. At AMC Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.

Thoroughly cool (scene for scene) and just as thoroughly forgettable, *The Bourne Identity* has some of the pared-down, businesslike thrills of *Ronin* but little of its personality. You enjoy it while you're there, but once you've seen it, you've seen it — you don't feel as though there are secrets and meanings tucked away in dark corners, as you do with a more artful thriller like Christopher Nolan's *Memento* (or his more recent movie, *Insomnia*). Many, indeed, will compare this film to *Memento*, and for good reason: Both are about mysterious protagonists who can't remember anything, and who, we suspect, don't *want* to remember. But *Memento* immersed the audience in the hero's disorientation, while *The Bourne Identity* is just another thrill ride, though a reasonably well-crafted one.

Something about Matt Damon — his mixture of hard and soft features, maybe — has compelled directors to put him in one identity crisis after another. He seems both defined and blank, which works well for his character here, Jason Bourne, who has no memory of who he is but knows he has certain talents for survival. He has six different passports (under different names) stashed away, he finds (to his surprise) that he can speak a variety of languages, and when cornered he instinctively lashes out in devastating self-defense — it's as if his mind forgot who he is but his *body* remembers very well.

The CIA, led by a frowning Chris Cooper, wants to find Bourne, or kill him, or both. Bourne isn't sure which, so he flees to Paris, along with a German drifter named Marie (Franka Potente, of *Run Lola Run*), whom he entices with \$10,000 and the promise of more. For Marie, the trip soon becomes less about the money than about the adventure; though Marie's character is drawn even more sketchily than Bourne's, the dynamic and entrancing Potente gives the movie a badly needed shot of what-the-hell spirit. Terrified in moments of danger, Marie nonetheless gets it together enough to yell at an assassin, demanding to know where he got her picture. Potente also lends the movie a good

helping of Euro-style, particularly after her hair is cropped short and dyed black and she appears in a black turtleneck; she's like a beat poet in the middle of a blockbuster, and she's just irrefutably cool.

Written by Tony Gilroy and William Blake Herron, based on a Robert Ludlum thriller (it was adapted before as a 1988 miniseries, with Richard Chamberlain), *The Bourne Identity* doesn't bother much with the reality of what it might be *like* to discover gradually that one is, at the very least, a highly skilled government agent of some sort, or maybe worse. Damon slips into foreign tongues and has the wit to show a flash of bemusement — "I know this?" he might be thinking — but I would've liked to have seen him feeling triumphant, or horrified, or *something*, in the aftermath of his violence. Director Doug Liman, in a sharp change of pace from his earlier *Swingers* and *Go*, doesn't seem interested in Bourne's morality; he's just along for the ride.

And it's occasionally a satisfying one. Bourne's reflexive genius at getting out of any sticky situation becomes something of a joke (one that I wish we were encouraged to share in); he has a brief, savage bout with an assassin in a hotel room, and a nicely staged encounter with another assassin in a field of tall grass. There's also a supremely bumpy car chase over the cobblestones of Paris that — perhaps because Franka Potente is riding shotgun, caught between panic and ecstasy — manages to be strangely charming. *The Bourne Identity* does the job, but it's a very basic job; I can't work up a lot of respect for a movie that relegates fine actors like Brian Cox, Julia Stiles, and the imposing Adewale Akinnuoye-Agbaje (late of HBO's prison series *Oz*) to glorified walk-ons. The movie is about muscular speed and skill, and that's all it's about. Like its hero, it's blank by design.

## Lasting Impression

By Kenneth J. Souza  
news@wanderer.com

Sometimes it's the little things in life that people best remember. We all strive to leave a mark in our lifetime, to make that so-called "lasting impression" on others. Yet you don't necessarily have to bang a gong or strike up the band to get recognized for your efforts. Very often, there are those little gestures or easy-offered acts of kindness done in passing which we fear remain unnoticed and unacknowledged.

Rest assured, someone's watching — be it here or in the afterlife.

So it was that I came to learn of **Martin J. "Mickey" Bauer's** passing last week. A fellow Mattapoisett resident came into our office to note that Mickey had passed away the night before and someone had made a makeshift memorial in front of the now-empty stool where Mickey usually sat in the Seaport Village and Ice Cream Shoppe on Route 6. A veritable fixture in the popular eatery during his twilight years, Mr. Bauer's absence spoke volumes to those he used to meet and greet daily, and someone thought enough to pay small tribute to Mickey by perching a single red rose in an overturned styrofoam cup on which Mr. Bauer's nickname was written.

They say *it's the thought that counts*, and Mickey apparently had more than a few friends who thought he was someone special in a town known for being special.

The husband of the late Elsie G. (Washburn) Bauer, the 86-year-old Martin J. "Mickey" Bauer was born in New Bedford but lived in Mattapoisett for 83 years. He was a communicant at St. Anthony's Church in Mattapoisett, and was formerly employed and probably best-known as the custodian at Center School for 19 years until his retirement in 1985. He previously worked for the 7-Up Bottling Company and H.P. Hood Milk Company and was a firefighter for the Town of Mattapoisett and for Otis Air Force Base. He also served as an auxiliary police officer for the Mattapoisett Police Department.

A veteran of the Army Air Corps during World War II, he was a sergeant with the 353rd Army Air

Force Base Unit involved with chemical warfare at Elmendorf Air Force Base in Anchorage, Alaska. Mr. Bauer received the Asiatic Pacific Campaign Ribbon, the American Theatre Campaign Ribbon and the Good Conduct Medal, and was a member of the Florence Eastman American Legion Post 280 in Mattapoisett and the Harold S. Nickerson Disabled Veterans Chapter 118 in Westport.

Despite this impressive list of achievements, however, I suspect it is simply the "little things" that Mickey Bauer did as an active and vibrant resident of Mattapoisett for which he'll best be remembered ... and which touched other people in some small way. It's obvious that someone at Seaport Village was moved enough to pay tribute to him with the makeshift rose memorial last week, and you don't come across that kind of voluntary appreciation very often. Mickey may surely be missed, but he managed to leave his mark on Mattapoisett. We should all be so lucky.

## SALOME'S STARS

ARIES (March 21 to April 19) Recently obtained information could open a new opportunity for a career change. But temper that Arian impatience and act on it only when all the facts are made available.

TAURUS (April 20 to May 20) You're moving into a more active cycle. So put your ideas back on the table, where they'll be given the attention they deserve. Expect a favorable change in your love life.

GEMINI (May 21 to June 20) A friend might ask for a favor that you feel would compromise your values. Best advice: Confront him or her and explain why you must say no. A true friend will understand.

CANCER (June 21 to July 22) A relationship continues to develop along positive lines. Meanwhile, a brewing job situation could create complications for one of your pet projects. Look into it right away.

LEO (July 23 to August 22) Your interest in a co-worker's project could lead to a profitable experience for you both. But before you agree to anything, be sure to get all your legal I's dotted and T's crossed.

VIRGO (August 23 to September 22) Be careful whose counsel you take about a possible long-distance move. Some advice might not necessarily be in your best interest. Stay focused on your goals.

LIBRA (September 23 to October 22) Someone might try to complicate efforts in an attempt to work out that confusing job situation. But don't let that keep you from sticking with your decision to push for a resolution.

SCORPIO (October 23 to November 21) A disagreement on how to handle a family problem could create more trouble for all concerned. Look for ways to cool things down before they boil over.

SAGITTARIUS (November 22 to December 21) An unexpected change in long-standing workplace procedure and policy could provide a new career target for the Archer to aim at. Start making inquiries.

CAPRICORN (December 22 to January 19) You're finally able to get back into the swing of things, as those temporary doldrums begin to lift. Expect some surprising disclosures from a new colleague.

AQUARIUS (January 20 to February 18) Rely on your innate sense of justice to see you through a dilemma involving a family member. Other relatives who've stood back will soon come forward as well.

PISCES (February 19 to March 20) A new friend seems to be pushing you into taking risks — financial or otherwise. Best advice: Don't do it. She or he might have a hidden agenda that hasn't surfaced yet.

BORN THIS WEEK: You love to see new places and meet new people. Have you considered working for an airline or cruise-ship company?

**IF YOU HAVE A BACKYARD.  
IF YOU HAVE A POOL.  
IF YOU HAVE A DECK.  
YOU NEED A  
MOSQUITO MAGNET.**

Used by the USDA, proven by the Coast Guard, the Mosquito Magnet™, instantly eliminates blood-sucking insects without pesticides.

This is the first insect abatement system written about in the New York Times and the Wall Street Journal. Developed in conjunction with the U.S. Center for Disease Control, the Mosquito Magnet is the only proven method for eliminating mosquitoes, no-see-ums, and black flies.

The Mosquito Magnet emits a warm, incense plume of carbon dioxide that mimics the natural breath of humans, which is what attracts insects to bite humans. The insects are drawn from within a one-half acre area to the Mosquito Magnet, where they are vacuumed into a net and dehydrate and die within 24 hours. In so few nights, practically all the insect population collapses as egg-laying females are destroyed. No eggs. No insects.

Powered by a 230v propane tank which generates its own electricity and carbon dioxide, the Mosquito Magnet is ideal for backyards, water-front properties and wooded areas. Compactly portable. There is no need for electricity. The Mosquito Magnet is placed near the breeding site of the insects, which traps them at that source, and keeps them away from you.

The Mosquito Magnet is on duty 24 hours a day, continuously attracting and sucking up biting insects so that you can enjoy your outdoor life again.

Taking Back Neighborhoods One Yard At A Time.
